

# Physical Education through CLIL

School Year

2024—2025

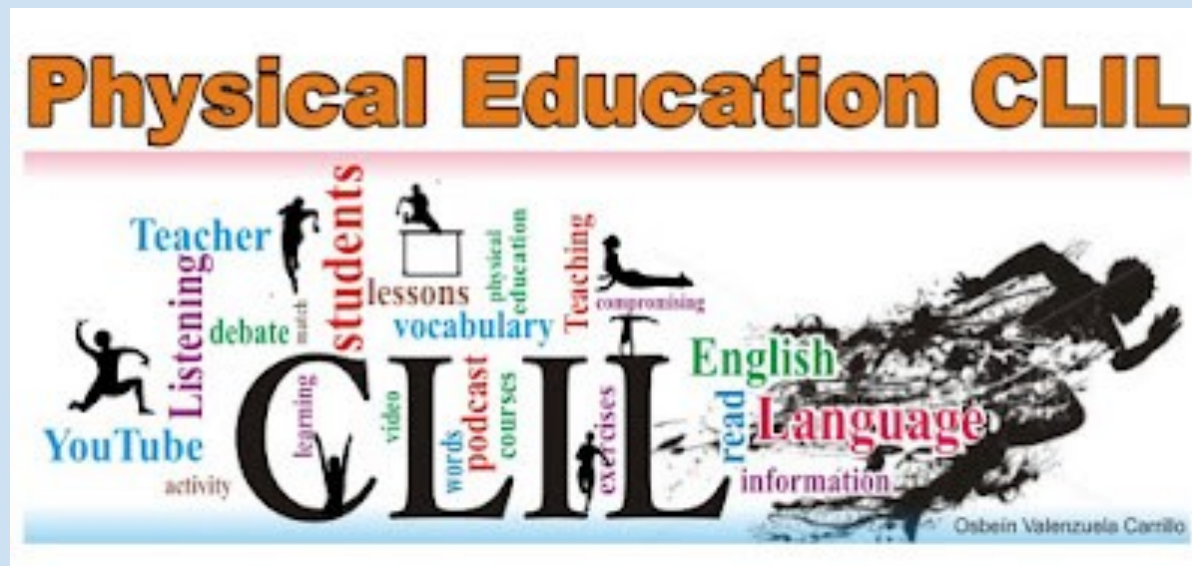

# Physical Education

Tom wants to do Physical Education with us!

So let's do Physical Education in English!

In our school children are doing  
Physical Education in English,  
through CLIL approach,  
once a week.

# Children learn to:

- Understand and follow lesson routines in English
- Respond to simple instructions in English
- Respond to instructions related to the targeted skills
- Understand the language of Physical Education
- Speak in English when are given the opportunity
